BRAND NEW SUZUKI LTA750XPL6

Take the stress out of spring lambing, and calving with a new Quad you can rely on from Suzuki.

If you've got a big block, extreme terrain, or a heavy workload, you need the strength and power of the ultimate quad. The KingQuad 750 is Suzuki's flagship machine, with the power and stability to go anywhere and take on any job.

Powered by a single cylinder big bore liquid-cooled DOHC engine, the KingQuad 750 power steer offers a whopping amount of torque. Its advanced ECM managed fuel injection system gives you instant throttle response, smoother performance, and reduced fuel consumption. A high tensile steel frame has the rigidity you need for the tough work and agility for easy handling and riding comfort.

The 750s diff-lock, long-travel independent suspension and dependable disc brakes help you tackle the roughest, steepest, slipperiest sections. While Hi-Lo CVT auto and downhill engine braking mean nothings going to get away on you.

When only the best will do, the KingQuad 750 delivers in spades.
